Comprehensive Plan for Sustainable Development

Dear Sir/Madam,

Shri Kshethra Dharmasthala Rural Development Project (R.) (SKDRDP), which is perhaps the only organization other than the agricultural universities to have regularly conducted the annual Kissan Melas over the last three decades, has been promoted by **Dr. D. Veerendra Heggade, Dharmadhikari, Shri Kshethra Dharmasthala**.

It has planned its 35th annual State level Krishi Mela in the sprawling ground of **Kalpataru Stadium, Tiptur, Tumkur district from 05.02.2015 to 07.02.2015**.

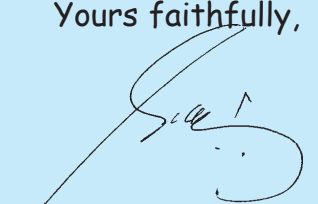

The mela has planned to provide all the technical knowledge and other facilities on a single platform for the entire farming community. The mela is likely to attract more than three lakh visitors.

More than 600 exhibition stalls, Demonstrations of modern agricultural technologies, will be arranged in the Mela. An event of such kind will be successful only with the help of the sponsorship provided by the prestigious institution like you. The Stalls booking and sponsorship forms are enclosed here with for your kind consideration and utility. The forms are also available in our website www.skdrdpindia.org. The stall may kindly be booked before 20.01.2015.

Soliciting your participation in the Kisanmela.

Thanking you,

Yours faithfully,

(Dr. L. H. Manjunath)
Executive Director
